

Cover Letter – Jeeva Y

Dear Hiring Manager,

I am writing to express my interest in opportunities within your organization. As a recent B.Tech graduate in Artificial Intelligence and Data Science from Dr. N.G.P. Institute of Technology with a CGPA of 8.06, I am eager to begin my professional career and contribute to a dynamic team.

Throughout my academic journey, I have developed a strong foundation in software development, data analytics, and problem-solving through academic projects and hands-on learning experiences.

My technical skills include Java, Python, C, React.js, HTML, CSS, MySQL, MongoDB, Git, GitHub, and Power BI. I am passionate about technology and continuously strive to expand my knowledge.

I also completed an internship at Birdscale Technologies, where I gained practical exposure to geospatial AI, satellite imagery analysis, and machine learning techniques, strengthening my analytical and teamwork skills.

I am a disciplined, positive-minded, and enthusiastic learner who is eager to contribute to organizational success while continuously developing professionally. I would welcome the opportunity to discuss how my skills and enthusiasm align with your organization's goals.

Thank you for your time and consideration.

Sincerely,
Jeeva Y
